PRIMARY SCHOOL**

**RELATIONSHIPS AND SEX EDUCATION POLICY**

*'Growing Together in Faith & Love'*

**Reviewed September 2023**

**Currently under review 2024/2025**

## **Rationale**

‘I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL’

(Jn.10.10)

We are involved in Relationship, Sex and Education (RSE) precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSE therefore is rooted in the Catholic Church’s teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity; Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God’s gift, reflect God’s beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DFE (and the Welsh Assembly Government) RSE will be firmly embedded in the PSHE/RSHE framework as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ’s vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All Relationship, Sex and Health Education RSHE will be in accordance with the Church’s moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from. It will also prepare pupils for life in modern Britain.

## **Aim**

St Mary Magdalene Catholic Primary School, aims to provide a suitable programme that follows the statutory need to include RSHE into their curriculum from September 2020 which meets the ethos of its Catholic identity and mission.

The purpose of this Relationship, Sex and Health Education (RSHE) policy is to set out the ways in which the schools’ provision supports pupils through their spiritual, moral, social, emotional and physical development, and prepares them for the opportunities, responsibilities and experiences of life growing up in today’s world.

Our School’s mission embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people, and through an agreed approach to Relationship and Sex Education (RSE) using the Archdiocesan recommended resource ‘Journey in Love’ 2020 we believe that we can promote the development of the whole child, so that children can grow in virtue, wisdom and stature, understanding both the emotional, social and physical aspects of growing spiritually, as well as moral aspects of relationships within a context of a Christian vision for the purpose of life.

RSHE is taught through our lifestyle in school and through the subjects of Religious Education, PSHE and Science and by way of a cross-curricular, integrated approach. All elements of PHSE at Key

Stage 1 and 2 are covered. Significant aspects of Relationship and Sex education remain part of the National Curriculum for Science. These will be taught to all pupils.

The PSHE (Physical, Social, Health, and Economic Education) curriculum at St Mary Magdalene embraces each child, offering them a safe opportunity to explore themselves, relationships and the wider-world around them. PSHE provides plentiful opportunities to voice opinions and clarify understanding, encouraging openness within discussion which contributes to the personal development of each individual. The range of aims and activities covered also help our children to appreciate the diverse communities in which we live contributing to their spiritual, moral, social and cultural development. We offer a valuable curriculum in which information is shared with our children to empower them to make positive decisions about their own health and wellbeing, allowing them to recognise when issues arise, knowing how to seek support as early as possible from appropriate sources. In essence, the curriculum aims to promote positive physical, mental and emotional wellbeing, which is fundamental in the lives of our children both now and as they grow and mature.

In the Science National Curriculum, through high quality teaching and learning experiences, we aim to develop every child's key scientific knowledge, vocabulary and understanding of a range of scientific concepts, methods, processes and skills, including living things.

The other aspects of the statutory curriculum intent will be met by:

- encouraging pupils' growth in self-respect, acknowledging we are all created in the image and likeness of God
- helping pupils develop an understanding that love is the central basis of relationships
- helping pupils to understand the nature of relationships and to encourage them to reflect on their own relationships and respect differences between people
- developing pupils' confidence in talking, listening and thinking about feelings and relationships
- helping pupils' confidence in talking, listening and thinking about feelings and relationships
- helping pupils acquire the skills necessary to develop and sustain relationships
- offering sex education in the wider context of relationships
- ensuring that pupils protect themselves and ask for help and support when needed
- ensuring that pupils are prepared for puberty
- helping pupils develop a healthier, safer lifestyle
- preparing pupils to play an active role as citizens and to understand the Catholic vision of what it means to be citizens of the Kingdom/reign of God

### **A Journey in Love Programme**

An aspect of the mystery of love is treated in each year group; children and young people are encouraged to marvel at the wonder and beauty of God's creative love. This is reflected in each stage of a person's growth in the primary years through a series of suggested, progressive and developmental tasks, activities and reflections that focus on social, emotional, physical and spiritual development.

Early Years: The wonder of being special and unique

Year 1: We meet God's love in our family

Year 2: We meet God's love in the community

Year 3: How we live in love

Year 4: God loves us in our differences

Year 5: God loves us in our changing and developing

Year 6: The wonder of God's love in creating new life

## **Statutory Requirements**

At St Mary Magdalene Catholic Primary School, we must provide Relationships Education to all pupils as per section 34 of the Children and Social work act 2017.

In teaching Relationship and Sex Education, we must have regard to Catholic Education Service guidance issued by the Bishops Conference of England and Wales 2017.

The statutory guidance from the Department for Education issued under Section 80A of the Education Act 2002 and section 403 of the Education Act 1996 Appendix A

The statutory guidance from the Department for Education Equality Act 2010.

Keeping Children Safe in Education 2024.

## **Definition**

Relationship, Sex and Health Education involves a combination of sharing information, and exploring issues underpinned by our Catholic values.

Relationship Sex and Health Education is about the emotional, social and cultural development of pupils, and involves learning about personal relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

## **Curriculum**

After consultation with parents Relationship Sex Education will be covered using the recommended resource 'Journey in Love' 2020. (See right of withdrawal).

We have considered the age, stage and feelings of pupils and have consulted with parents and staff to ensure we are offering a quality curriculum which is adequately catered to meet their needs.

Alongside the science curriculum, Journey in Love supports and extends scientific understanding of physical human development.

PSHE complements other national curriculum subjects allowing them to be seamlessly integrated into teaching, whilst opportunities to fulfil our wider curriculum and offered as well as External Providers when appropriate.

If pupils ask questions outside the scope of our curriculum, teachers will respond in an appropriate manner so they are fully informed and do not seek answers online.

## **Delivery of Relationship, Sex and Health Education (RSHE)**

Relationship and Sex Education (RSE) is taught both discretely and within other subject areas. Some aspects of the RSHE curriculum may be touched upon in other lessons as it shares links with Religious Education, Science and Physical Education.

Our RSHE will ensure that content is relevant to the age, experience and maturity of pupils.

The new statutory guidance for Relationships Education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me.
- Caring friendships.
- Respectful relationships.
- Online relationships.
- Being safe.

These areas of learning are taught within the context of 'family life' and could include married or single parent families, same sex parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a support structure around them (for example: looked after children or young carers).

As a school, we promote equality of opportunity and foster good relations. Our school environment uniformly applies values of inclusion and respect to all pupils and their families. All staff are proactive in promoting positive relationships and receive regular training.

## **Equal Opportunities**

All pupils have access to the RSHE curriculum. Where pupils have specific educational needs, arrangements for support from outside agencies and support staff are made to ensure these pupils have an appropriate, differentiated curriculum.

## **Roles and Responsibility**

### **The Governing Body**

The governing body will approve the RSHE policy and hold the Headteachers to account for its implementation.

### **The Headteachers**

The Headteachers are responsible for ensuring that RSHE is taught consistently across the schools and for managing requests to withdraw pupils from the non-statutory element of Relationship and Sex Education \* (see right of withdrawal).

### **Staff**

Staff do not have the right to opt out of teaching RSHE as this forms part of the Teaching Standards. Any staff who have concerns about teaching RSHE are encouraged to discuss this with the headteachers.

Staff are responsible for:

- Delivering RSHE in a sensitive way which complies with Church teaching.
- Modelling positive attitudes to RSHE.
- Responding to the needs of individual pupils.
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.

### **Pupils**

Pupils are expected to engage fully in RSHE and, when discussing issues related to RSHE, treat others with dignity, respect and sensitivity.

### **Parents' right to withdraw**

In exceptional circumstances, parents have the right to withdraw their children from the non-statutory component of sex education.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

This policy will be reviewed and agreed annually.

## JOURNEY IN LOVE AND DFE GUIDANCE

From September 2020, guidance from the Department for Education for Relationships Education, Relationships and Sex Education (RSE) and Health Education becomes mandatory for all Schools, including Catholic Schools.

This initiative has been welcomed by the Catholic Education Service (CES), who state clearly that, Catholic schools are also required to deliver RSE in accordance with the teaching of the Church. RSE is part of the mission of Catholic schools to educate the whole person. It should be carried out as part of the holistic education, which seeks to form as well as inform young people in preparation for adult life. A Journey in Love offers opportunities to teach DFE guidance on Relationships Education and Relationships and Sex Education in age-appropriate ways.

The Catholic Education Service accentuates that any teaching about love and sexual relationships in a Catholic school must be rooted in the Catholic Church's teaching about what it is to be truly human in Christ, what it means to live well in relationship with others and be presented within a positive framework of Christian virtue.

# Come and See and Relationship and Sex Education

## Introduction

The following is intended as a guide for linking Relationship and Sex Education with Come and See. Some of these aspects might be covered in the EXPLORE section where the topic is being introduced, starting with the pupil's own experience, and extending into the REVEAL and RESPOND sections. Some ideas may be used in the REVEAL process where the teaching is explicitly concerned with Scripture and the teaching of the Church. Some topics offer more explicit teaching to develop ideas about Relationship and Sex Education, some less so.

Another way of using this section is when teaching Religious Education which occurs in other aspects of the curriculum e.g. Science, PE, PSHE etc.
