

Dear God

Chalat

Thank you for helping people in need and helping people who
feel ghum and demotivated. We thank you for helping families to
start new beginnings and people sick in hospital in bad condition.
You have showed people you care about them. Please protect
those in danger of pointless wars and of those who have lost their
homes. Thank you for looking after those who have lost loved
ones.

Amen

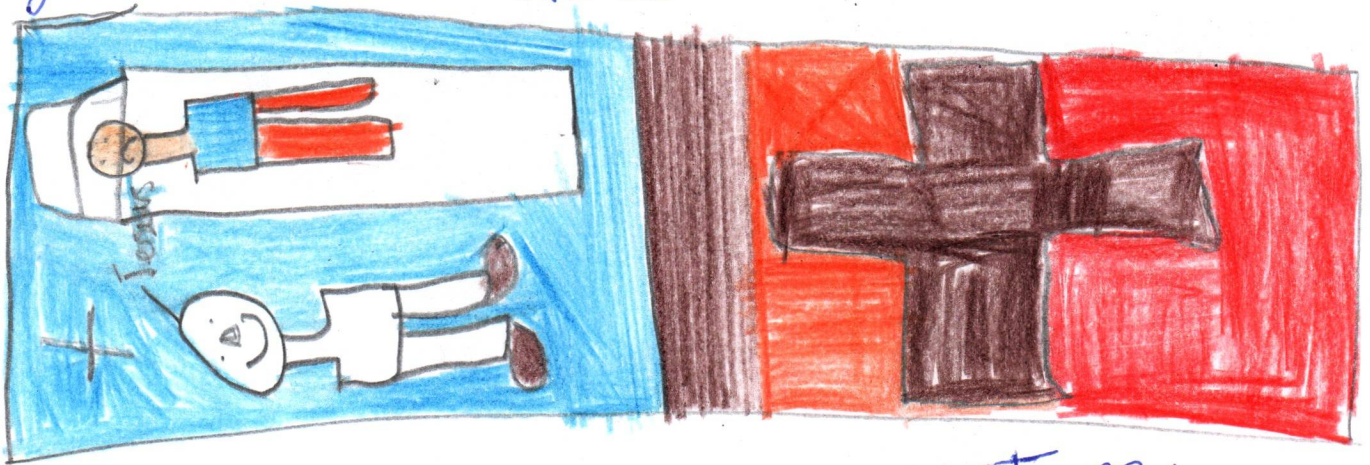

Loving God,

Please help those who are sad and let them know that they are not alone if they have lost someone special to them.

Their resurrection shows us that we are never alone and God is always with us no matter what, and you should not stay sad and have a damp, non-lively but Jesus is always with you.

Amen

Terry

Dear God,

Help us to have peace in the world and give help to people who are scared and suffering in wars. We pray that we have peace in the world to make the world a lovely place and make the world united and bring brightness to the world instead of darkness.

Amen
