Dear Parents/Carers

Welcome back to the start of a new school year. Your child will bring home an Annual Calendar 2026/2027. Please keep this safe as it has dates and events for the whole school year.

Unfortunately we have workmen on site finishing the work on our new play equipment. They should be finished by 4.00 pm on Friday. On the 14th September there will be some inconvenience because the soft play in both areas (younger and older pupils) is being replaced. It will be safe. The area will be sectioned off and the children will be supervised as usual. Our new boiler will be installed in the October half term.

Prayer of Gratitude

*Thank you, Lord for the blessings
you have bestowed on my life.*

*You have surrounded me with people who
love and look after me.*

*You have given me family and friends,
who offer kind words and actions,
for which I am grateful.*

Amen
