

St Mary Magdalene Catholic Primary School

End of Year Expectations

Year 3

This booklet provides information for parents and carers on the end of year expectations for children in our school.

Outlined are some of the objectives that are seen as being the **minimum requirements** your child must meet in order to ensure continued progress throughout the following year.

Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

More assessment information is available on the school website.

Reading

- Comment on the way characters relate to one another.
- Know which words are essential in a sentence to retain meaning.
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions.
- Recognise how commas are used to give more meaning.
- Recognise inverted commas.
- Recognise:
 - Plurals
 - Pronouns and how used
 - Collective nouns
 - Adverbs
- Explain the difference that the precise choice of adjectives and verbs make.

Writing

- Use conjunctions (when, so, before, after, while, because).
- Use adverbs (eg. then, next, soon).
- Use prepositions (eg. before, after, during, in because of).
- Experiment with adjectives to create impact.
- Correctly use verbs in 1st, 2nd, and 3rd person.
- Use perfect form of verbs to mark relationships of time and cause.
- Use inverted commas to punctuate direct speech.
- Group ideas into basic paragraphs.
- Write under heading and sub-headings.
- Write with increasing legibility, consistency and fluency.

Mathematics

- Compare and order numbers up to 1000.
- Read and write all numbers to 1000 in digits and words.
- Find 10 or 100 more/less than a given number.
- Count from 0 in multiplication and division facts for all tables up to 12x12.
- Recognise place value of any 3-digit number
- Add and subtract:
 - Numbers with up to 3-digits using written column method.
- Estimate and use the inverse to check.
- Multiply: 2-digit by 1-digit
- Divide: 2 digit by 1 digit and determine remainders
- Count up/down in tenths.
- Compare and order fractions with same denominator.
- Add and subject fractions with same denominator with whole.
- Tell time using 12 and 24 hour clocks in analogue and digital form and using Roman numerals.
- Tell time to nearest minute.
- Know number of days in each month and number of seconds in a minute.
- Use informal methods to solve two step problems in context.
