February Newsletter

Dear Parents/Carers

Please note a change of day to our Hot Dog day, the hot dog days will be on the last Thursday of the month not Friday from now on.

February 3rd-9th is Children's Mental Health Week. We will be doing extra things with the children to help them enjoy this week. The theme is "Know Yourself, Grow Yourself" and the children will be talking about their feelings. We are all here for the children. If you have concerns about your child you can come and talk to Mrs Lighthill or any member of staff you feel comfortable with.

Parking

Some parents are positively dangerous. They think they can park where they like. As a school we are fed up with this! We will be reporting our concerns and number plates to the police. Please think, would you want to be responsible for the death of a child or a serious incident?? Please take care and park correctly.

Pope Francis has declared a Jubilee year, the theme is hope. This Holy celebration started on 24th January. Pope Francis has asked us to be Pilgrims of Hope. We have a lovely display in the main reception created by all children across the school. The Pope opened the Holy Door at the Basilica of St Peter to signify the start of the jubilee. Each class will be creating a Holy Door for their classroom. There is further information on our school website.
