Parking

The parking is becoming unsafe with parents blocking junctions, parking on zig-zags. A child was nearly run over because they could not see between cars and around corners. Do you really want to be responsible for a serious accident simply because you don't want to walk to collect your child from a short distance to where you have parked? Please we all have a duty to be responsible for the safety of everyone. All illegally parked cars will be reported.

Thames Valley police have said that Illegal parking can be reported online to them.

Abuse towards staff

Teachers tell me that sometimes when they speak with parents about a variety of issues to do with their child they suffer a tirade of abuse and aggression.

We are all trying to do the best for your children because we care.

This kind of aggressive behaviour will not be tolerated.

Please there is no need for it.

School Uniform

Ties are a part of the school uniform. Can you make sure your child has the correct uniform. They look really smart when wearing the full uniform.

Thank you
